

Date of posting: January 2010

Job Description: **Monitoring & Evaluation (M&E) Specialist**
Status: Short-term or long-term assignment
Location: Worldwide

Making Cents International (www.makingcents.com) is a social enterprise based in Washington, D.C. We are committed to building a legacy of skills and economic opportunity at the individual, community, and global level. We provide specialized technical services and curriculum to individuals and organizations working in economic strengthening, enterprise development and linking young people to financial services. Making Cents is also a leader in the youth enterprise and livelihoods sector (www.youthenterpriseconference.org). We create learning opportunities and networks that result in strong partnerships, programs, and policies that support young entrepreneurs. Making Cents International is an equal opportunity employer.

Making Cents International is seeking Monitoring and Evaluation Specialists for short-term and long-term positions for anticipated projects in the Middle East, Africa, Latin America, and Asia regions. Ideal candidates will have expertise in advising on M&E activities and developing M&E tools for cross-sector income generation programs.

Qualifications and Skills

- Advanced degree with 5-10 years of demonstrated experience developing and implementing monitoring and evaluation tools; Experience working with USAID or other large donors preferred.
- Ability to work effectively both independently and as part of a team.
- English fluency required; proficiency in Arabic, Pashto, French, Spanish, or Portuguese preferred.
- Proven ability to develop and maintain relationships with other projects, local governments and international agencies.
- Excellent writing and oral communication skills and capacity to facilitate dialogue across multiple sectors.
